Welcome to the Centara World Masters Golf Championship

WELCOME! It is with great pride and much pleasure that we welcome you to the Kingdom of Thailand and the royal city of Hua Hin for the 2015 Centara World Masters Golf Championship.

This tournament has quickly become Asia's best 'week of golf'. We are sure that the quality of the golf courses, the ever-smiling caddies, nightly entertainment events and the fun and friendship enjoyed with fellow golfers from all over the globe will only enhance the event's reputation.

With a sell-out field of 600 golfers, the Centara Masters has quickly become Asia's biggest event for club golfers. There's a massive contingent from Australia, while large groups have come from India, Phillipines, New Zealand and Vietnam. We also welcome golfers from China, France, Germany, Hong Kong, Ireland, Thailand, UAE, UK and the United States.

Festivities start with a welcome dinner at the iconic Centara Grand Beach Resort and Villas. The 19th Hole will be poolside at the Hilton on Monday night and then at Centara on Tuesday and Thursday nights. The 19th Hole will have big screen highlights of the golfing action, presentations to daily winners and lucky draws while you enjoy complimentary beer, wine and soft drinks. The week culminates with a glamorous presentation dinner poolside at Centara hosted by the City of Hua Hin.

Black Mountain, Banyan, Majestic Creek and Imperial Lake View are in superb condition to host the Championship. It is a joy to play with well-trained and friendly caddies who will proudly wear your personalised caddie bib.

Non golfing partners can also look forward to experiencing Hua Hin's rich culture and attractions. Spoilt for choice, you can relax, tour or shop until your heart's content.

An event of this magnitude can only be possible with the support of major sponsors and partners and we thank Centara Hotels & Resorts, Chang, Coca-Cola, TaylorMade, Tourism Authority of Thailand and the City of Hua Hin for sharing our vision in bringing the Centara World Masters to life.

This program outlines all important information relating to golf, functions, transport, tours and more. Our team will be on standby at all of the venues to assist you with anything else you require.

We trust this week brings you great enjoyment on and off the course, new friends and wonderful memories that will keep you coming back year after year.

Enjoy Hua Hin and the Centara World Masters Golf Championship.

Hua Hin became Thailand's first beach resort after a train line was laid in the 1920's to provide access from Bangkok and King Rama VII established his summer retreat in the area. Thailand's 1st golf course soon followed. Today, Hua Hin is home to many world class golf courses and having recently won best golf destination in Asia is truly ideal for your golfing holiday. Message from the CEO of Centara Hotels & Resorts

Welcome to the Centara World Masters Golf Championship 2015.

For the second consecutive year, Centara Hotels & Resorts is proud to be the host for the Centara World Masters Golf Championship 2015 – Asia's biggest week of amateur tournament golf. This event was a great success last year and it is our pleasure once again to welcome golfers from 24 countries who

will experience Hua Hin's world class golf courses. Of particular delight is to see the growth of this event from its inaugural year - now with no less than 600 golfers and a total of 700 visitors enjoying their week in Hua Hin. Much more than a golf tournament, every participant is able to enjoy a fun-filled week with numerous leisure activities at the hotel's facilities. The program highlights include a

welcome party on Hua Hin's beach front and the farewell celebration surrounding the hotel's Colonial pool. We are also offering a fantastic range of dining and world class entertaining options as well as spa treatments, tailor-made exclusively for the golfers to ensure that their time spent with us will be truly relaxing.

Last but not the least we are delighted to be the main sponsor of this tournament once again and are confident that this edition of the Centara World Masters Golf Championship will be even more memorable. We wish everyone a week of successful competition and great enjoyment!

About Centara Grand Beach Resort & Villas Hua Hin

Originally known as the "Railway Hotel", the Centara Grand Beach Resort & Villas first opened during the early 1920s, just as the cozy fishing village of Hua Hin was being discovered by the world via the opening of a new railway line to Malaysia. What was to become over time Thailand's most refined beach resort was fortuitously graced by the newly-built Railway Hotel, which was designed along classic colonial lines. Now sympathetically restored and expanded to include all of the recreational and guest facilities that travelers expect from a beach resort, the Centara Grand Beach Resort & Villas remains one of the 'grand old hotels' of the East, and accordingly, is a member of the prestigious Leading Hotels of the World marque.

About Centara Hotels & Resorts

Centara Hotels & Resorts is Thailand's leading hotel operator, with 48 deluxe and first-class properties across all of the major tourist destinations in the Kingdom, as well as a further 25 hotels and resorts in the Maldives, Vietnam, Bali, Sri Lanka, Qatar, Laos, Oman, Turkey and China. The diversity of Centara properties means that the brand can cater easily to all of the differing needs of couples, families, individuals, and business professionals.

Message from the Executive Director of Tourism Authority Thailand

As a proud supporter of the Centara World Masters, the Tourism Authority of Thailand (TAT) welcomes you to the city of Hua Hin in the province of Prachuap Khiri Khan and to the Kingdom of Thailand.

Following on from last year's success we are pleased to welcome almost 700 visitors from more than 20 countries around the world this year.

We are sure that you will enjoy everything that Hua Hin and the Cha-Am region has to offer. Royal Hua Hin Golf Club, built in 1924, was Thailand's first ever golf course. Now Hua Hin is home to nine courses, including several of the best in Asia.

In November 2013, Hua Hin was awarded by the International Association of Golf Tour Operators (IAGTO) Asia and Australasia's 2014 Golf Destination of the Year, an honour befitting the area's rising status among golf visitors.

As you will discover, the Hua Hin - Cha-am region also has wonderful beaches, scenery, nature, food, nightlife and accommodation to suit all budgets.

On behalf of TAT, I wish you a wonderful event experience in Hua Hin and safe travels as you journey around the Kingdom. We hope you return again with more of your family and friends. As every visitor to the Kingdom knows, they will feel most welcome.

Tips for Thailand

Thailand is a wondrous Kingdom, and taking some time to learn more about this amazing country will certainly add to your holiday experience.

For more information about Hua Hin and Bangkok, we recommend you to visit these sites:

<http://www.tourismthailand.org/Where-to-Go/Hua-Hin>

<http://www.tourismthailand.org/Where-to-Go/Bangkok>

Thailand Culture

You will find Bangkok a crazy mix of noise and scents set amongst a combination of modern Western styles and traditional temples; but beyond the capital the regions, including Hua Hin, still maintain their cultural roots.

Thailand Religion

Thailand is predominantly Buddhist and you'll find many shrines and temples dedicated to the religion. One of the largest Buddha in Thailand, the reclining Buddha, housed at Wat Pho in Bangkok, is a must-see if you can fit it into your schedule.

These Buddha's are sacred to the Thai people so never climb on one, or do anything that may be deemed disrespectful.

You must dress neatly in religious areas or you may be refused entry if your outfit is not suitable. In some places, you will be able to hire appropriate clothing but best to be prepared. Shoulders, midriff and knees should be covered, including neat footwear. On occasion you may be asked to remove your shoes before entering temples (and indeed before entering a private home).

Hello!

While most Thai are happy to accept a handshake, their traditional greeting is the wai. Pressed palms together, like in the photo.

Tipping

Tipping isn't necessary except in restaurants and hotels, where the normal rate is around 10%. Standard caddie tips are 400 baht.

Health

Avoid drinking tap water to ensure you don't get sick. Make sure you stock up on bottled water.

Speak Thai

We've provided some helpful phrases to use while on holidays – give them a go, your efforts, perfect or not, will not go unrewarded.

- **Sa-wad dee (hello)** - Use this for both hello and goodbye.
- **Khop koon (thank you)** - If you master one phrase whilst away, this is the one.
- **Tao Lai? (how much)** - Essential for shopping.
- **Tee nai...? (where is...)** - You can point at your map and say 'yoo tee nai'.
- **Mai ow (don't want)** - Handy if you are accompanying a shopper.
- **Khor tort (sorry)** - Stood on someone's golf ball by accident? Now you can apologise.
- **Lot noi dai mai? (can you make it cheaper?)** - There is just a chance that you might get a discount for attempting to speak the local language.
- **A-roi (delicious)** - You should learn this one – you'll be saying it a lot.
